

**OFFICE AND PROFESSIONAL EMPLOYEES
INTERNATIONAL UNION, AFL-CIO, CLC**

I believe as a professional aviator that only through the formation of a union and the collective bargaining process can I have an effective voice about my job, insure fair treatment of my fellow pilots, and establish job security and decent wages, benefits and working conditions. Accordingly, I authorize Office and Professional Employees International Union to request the National Mediation Board to conduct an investigation and a representation election, request recognition, and/or represent me in negotiations of wages, hours, and working conditions, all in accord with the Railway Labor Act. Signing this card does not obligate me financially in any way.
